

How To Schedule A Scenic Flight

1. Click on “Airplane Rides Schedule Here” from the Fly Time Aviation homepage
2. Select how much time you’d like to fly. The base rate is \$200 for a 1.0 hr experience for 1 passenger.

Select “Next” at the bottom of the page.

3. Select when you’d like to fly. Navigate the calendar to pick an available date. Then choose from the available start times. Once selected, you will be automatically directed to the next page.
4. Add passengers. Let us know how many will be flying! There can be up to 3 passengers in total. The combined weight of all passengers cannot exceed 500 lbs. Each passenger is \$20.00.

Select the check box next to “Add” and input the total number of passengers. **Please include yourself as a passenger.**

5. Fill out all required fields of information. Please sign all applicant waivers and forms. Once complete, verify the date, time, and total are accurate. Then select “Confirm Booking”.

We look forward to seeing you soon!
